Easier....

**1** 2 3 4

rhythm A

Harder....

**1 + 2 + 3 + 4 +**

rhythm O

## Guitar Solo

### B minor pentatonic

7fr.

## TEACHING TIPS

“POWER CHORDS” can be a challenge for any beginning guitarist. Begin by having the guitarist play only the “root” of the power chord on the 6th string throughout the song until this is easy. Next the note on the 5th string can be added, and that might be easier using the pinky. These are really the only 2 notes needed in a power chord. More advanced players can try the full chord as written.
