 Best day ever, I just wanna say, I hope it never ends. Can we do this every day?  
 See this little Divi got it started. This little Divi stayed home  
 This little Divi got on the dancefloor, and she danced all night long  
 Get it girl Get it girl, get it, get it, get it, girl Show 'em how you do it in your Little Divi  
 World!  
 Get it girl. Get it, get it, get it, girl. Dance all night long. Do your dance, do it  
 (Chorus)  
 Everybody is invited today is a World Wide Playdate  
 Worldwide. It's a World Wide Playdate. Worldwide  
 It's a playdate, everybody jump in. Hey  
 Go get your friends. Jump in, jump out again

 It's a playdate, everybody jump in. Hey  
 Go get your friends. Jump in, jump out again  
 It's a World Wide, World Wide Playdate  
 (Verse)  
 Bubblegum, bubblegum in a dish. How many pieces do you wish?  
 Red light, stop. Green light, go. Dance contest, everybody get low  
 Now rise to the top. Let the beat drop. All over the world with love and hip-hop  
 Hey, that's a bop. Oh, that's a bop. Let's play another game. Tell me what you wanna rock  
 Ring around the rosie. With our pockets full of posies, yeah  
 Everybody clap your hands. Now it's time to dance  
 Right about now, we're gonna have a dance break. Are y'all ready for the dance break?  
 I want everybody to get in a line. Cause we gon' do something called the Divi Slide  
 We gon' step two times to the right. Two times to the left  
 Then take it on back, take it on back. Take it on back, yeah you know we like that  
 Now step two times to the right, to the right. Two times to the left, to the left  
 Now take it on back, take it on back. Take it on back, yeah you know we like that  
 Now grab a partner, do-si-do. Grab another and around we go  
 Take it on down, take it on down. Take it on down to the ground. Can you feel me now?  
 (Chorus)  
 Auntie Divi, you wanna play a game?  
 Yeah, let's play a game  
 What game do you wanna play (World Wide Playdate)
