

E is for Electric

Looks like a car seat!

Use the tips below to help you make the chord shape. Strum the chord with a pick, then play one string at a time to check the sound. Play all six strings.

Tips for Chord Fingering

- ✓ Curve your fingers like cat claws.
- ✓ Thumb is straight up and down on the back of the neck parallel with the frets
- ✓ Each finger touches just one string.
- ✓ Place fingers close to the frets.
- ✓ Press hard enough to get a sound.
