

Lesson Title: Drawing to Music	Grade Level: K-12
Objective(s): Students draw to music and reflect on the different aspects of the music and how they inspired their drawing	Resources/Materials: Writing/Drawing Materials. Drawing to music video If needed Canva: Digital Drawing Tools
Procedures (Lesson steps) - Students will . . . 1. Watch and draw along with Drawing to Music video. (6 mins) 2. Share their drawings with their peers, speaking to what they found in the music that was inspiring (10 minutes) 3. Select another track(s) to draw to from this playlist of suggestions (3 minutes) 4. Listen to and draw along with the audio tracks (10 minutes) 5. Share their drawings with their peers, speaking to what they found in the music that was inspiring (10 minutes) 6. Discuss reflection questions (10 minutes) 7. Collect drawing materials (3 minutes)	
Reflection Questions: What elements of the music affected your drawing the most? What elements of the music did have much affect on your drawing?	
Differentiation	
Expansion - Students can draw to music along to their own music or music of their choosing	Simplification - Student could use more guided art tools, such as color-by-numbers or existing line drawings
